## EDUCATION

### Master of Computer Application

Shri Ram Institute of Technology, Jabalpur

2023 – 2025

CGPA: 8.05

## EXPERIENCE

### MERN Stack Developer Intern

Cryptch IT Solutions, Jabalpur (Offline and Online)

Jan 2025 – Apr 2025

- Completed a 3.5-month internship focused on full-stack web development using the MERN tech stack.
- Designed and developed a feature-rich E-commerce website using HTML, Tailwind CSS, JavaScript, React.js, Node.js, Express.js, and MongoDB.
- Gained practical experience in building scalable web applications and working with real-world client requirements.

## PROJECTS

### NextBuy - E-commerce Web Application

Mar 2025 - Apr 2025

- Developed a scalable e-commerce platform using the MERN stack (MongoDB, Express.js, React.js, Node.js).
- Integrated product listings, user authentication, cart functionality, and order processing features.
- Applied Tailwind CSS for responsive UI design and optimized the frontend for performance and usability.

### Personal Portfolio

Dec 2024

- Created a responsive and interactive personal portfolio using HTML, CSS, and JavaScript.
- Included animations, dynamic content, and user-friendly navigation with modern design principles.
- Enhanced front-end development skills and demonstrated the ability to build user-centric web applications.
